Family Life Center Dedicatory Ritual

District Superintendent

We are here this afternoon because of the miraculous work of God. It is only by His grace and strength that this Family Life center has been completed. As we now stand in His presence we are ready to dedicate this place to the service of His kingdom. May this place be a constant reminder that every good and perfect gift comes from our Heavenly Father. May He receive all of the glory and honor for what will happen in this place.

Congregation

We dedicate this building.

District Superintendent

In loving memory of those who have worshiped, worked and fellowshiped with us in days gone by; for those who have established the heritage we now enjoy and with heartfelt thanks to the many who labored and sacrificed to help make this dream a reality.

Congregation

We gratefully dedicate this building.

District Superintendent

In hopeful anticipation that all who enter this place will find and experience the presence of God. May the lost find forgiveness. The weary find strength. The seeking mind find truth. The lonely find friendship. And may everyone find hope and a future.

Congregation

With joy and gratitude we now humbly dedicate this gift from God.

Dr. Seaman & Congregation

Together with God, we now join hands and hearts and dedicate ourselves to the high and holy purposes to which this building
